

Vote Bella Whitney for activities officer

Join the A team for activities with my three fundamentals:

Accessibility

making activities more accessible to all students and the wider community.

Advice

Working with RUSU to provide better guidance and support in running societies.

Advancement

Continuing to re-introduce ideas post covid-19 for smooth running and rebuilding membership numbers.

How?

-Increase accessibility to activities by continuing to lobby for 3G pitches, more scholarships for students to afford activities and more advertisement by RUSU for events.

-Provide value and opportunities through activities by advocating placements and coaching/career options with local partnerships through your skills in activities. -Providing additional points of help and welfare drop-ins for all society and committee members and budgeting advice.

And that's why you should...

Vote BELLA WHITNEY, for the best As in activities.
